I first came across RLJ 404 in the 1990s, it belonged to a work colleague, B Bassett. I immediately

said I would like to buy it if it ever came up for sale. My chances of ownership were thwarted by

the owners daughters who eventually took it on themselves, (ME Lea) thus the car staying in the

same family. The car was eventually offered to myself.

Brief service history.

Carried out by Paul Whincher Ltd Dorest from 1955 to 1961,
